

Patti D's Universal V-Steam Menu *All steams require an Intake Form

SANCTIFIED IN BLISS-

This V-Steam is constructed to cleanse the reproductive organs inside and out. It aids in detaching any old residue from the uterine wall and circulate the blood throughout the reproductive system. It assists in regulating the period and restoring missed period, tightening of the vaginal canal and uterus, it also liquefies and releases old blood trapped in the uterus, as well as disinfecting, deodorizing and beautifying the skin. It calms the mind-body and soul and promotes deep sleep. This V-Steam is recommended and the safest formula for all oral contraceptive users and for consumers with a regular menstrual cycle of 28 days or longer, and missing periods.

***Contraindicated for the uterine fatigue consumers because it cause the on set of blood, hence liquefies and release old blood.**

DELICATE FLOWER

This steam is built as a mild formula for consumers with bleeding complications. It is a special blend formulated to stop the bleeding in consumers with short cycles of 27 days or shorter caused by uterine fatigue. It strengthens the uterus and regulates the menses. All awhile being gentle enough for an adolescent teen. This and every steam tones and tightens the vaginal canal and uterus in addition to disinfecting and beautifying the skin. They also calm and relax the mind, body, and soul and promote deep sleep. Recommended for short menses consumer, the uterine fatigue and the 13 years & younger adolescents (ITS THAT SAFE!!!! with shorter timed steam set-up)

***Excitatory herbs can be included but must be requested.**

***Contraindicated: for consumers with 28 days or longer menstrual cycle because it may stop the period from coming.**
